Upon written request by an employee, the District will permit the employee to inspect his or her personnel file a reasonable number of times each year. A reasonable number of times shall be no more than three times. Such inspections shall occur within five (5) working days of receipt of a request and shall occur in the presence of a representative of the District. The employee shall not be permitted to remove items but shall be permitted to make copies for a reasonable fee. The employee may delegate his/her opportunity to inspect to a representative of the Union. If the employee disagrees with any information in the file, he or she may include a brief statement of rebuttal.

Material related to misconduct, which has not been repeated, will be removed from personnel files after 3 years. If such conduct has resulted in a suspension or in a disciplinary action involving a loss of pay, such material will remain in the file. Nothing herein shall apply to regular employee evaluations.

Article IV – Grievance Procedure

4.1 Definitions.

- A. A grievance is a claim by the Union of an alleged violation of the terms of the Agreement.
- B. All time limits shall consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.
- C. Nothing contained herein shall be interpreted as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted, provided the adjustments are not inconsistent with the terms of the Agreement.

4.2 Procedures

The parties hereto acknowledge that it is usually most desirable for an employee and the immediately involved supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

- A. The Union shall present the grievance in writing within ten (10) days of the date the employee knew or should have reasonably known of the occurrence of the event giving rise to the grievance specifying the article and clause alleged to have been violated and stating the remedy sought to the supervisor immediately involved. The immediate supervisor shall arrange a meeting to take place within five (5) days after the receipt of the grievance. The supervisor shall provide a written answer to the grievance within ten (10) days after the meeting.
- B. If the grievance is not resolved at Step A, the Union may refer the grievance to the Superintendent or official designee within ten (10) days of his/her receipt of the appeal. Within 15 days of the meeting, the Union shall be provided with the Superintendent's or official designee response.
- C. If the Union is not satisfied with the disposition of the grievance at Step B or the time limits expire without the issuance of the Superintendent's written reply, the Union may submit the grievance to final and binding arbitration.

If a demand for arbitration is not filed within thirty (30) days of the date for the Step B answer, then the grievance shall be deemed withdrawn.

- 1. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the school district and the Union, and his

decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.

2. If either party requests a transcript of the proceedings, that party shall bear full costs for the transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Union.

3. The Union and the Superintendent shall undertake and mutually agree upon an arbitrator to hear grievance. In the event the Union and the Superintendent are unable to agree upon an arbitrator within 7 days, the American Arbitration Association shall be requested to provide a list of arbitrators.

4. Each party shall share equally the cost of the arbitrator and the AAA.

4.3 Additional Terms.

A. Failure of the Union to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievance to proceed to the next step. Time limits shall be extended by mutual consent.

B. Any investigation, handling or processing of any grievance by the Union shall be conducted so that the related work activities of the grievant or the staff are not interrupted unless approved in advance by the Superintendent.

C. Step A of the grievance procedure may be bypassed and the grievance brought directly to Step B if mutually agreed upon by the Union and the Superintendent.

D. If the Superintendent and Union mutually agree, a grievance may be submitted directly to arbitration.

E. Class grievances involving one or more employees or one or more supervisors and grievances involving an administrator above the building level may be initially filed by the Union at Step B.

F. No employee shall be required to discuss any grievance if the Union representative is not present, if one is requested.

G. No Reprisals. No reprisals shall be taken by the Board or the administration against an employee because of his participation in a grievance.

H. Where the Superintendent determines that meetings shall be held during work hours, the grievant shall be released from his/her regular assignment without loss of pay or benefits to attend the meetings.

Article V – Leave

5.1 Personal Leave.

Each full-time and part-time employee contracted to work for a full school term (9 months) but less than 12 months, and who is not eligible to receive vacation leave under this agreement, shall receive 1 non-cumulative personal leave day per year. Any

unused personal day may be transferred into each employee's sick leave day accumulation at the maximum rate of one (1) day per year or may carry over to the next year's personal days to the total accumulation of two (2) days per year.

Starting with an employee's 21st year of service the employee will receive an additional two (2) personal days per year for a total of four (4) personal days per year and may carry over to the next year's personal days to the total accumulation of five (5) days per year.

5.2 Sick Leave.

Sick Leave shall accrue at the rate of 10 days, per year to a total of 245 which may be used to apply toward retirement. Persons who work on a 12-month contract shall accumulate sick leave at the rate of 12 days per year. Sick leave shall be available to all persons who work at least 600 hours per year. All employees may use one day of sick leave as a personal day per year.

Sick leave shall be interpreted to mean personal illness, quarantine at home or serious illness or death in the employee's and/or employee's spouse's immediate family or household. For the purpose of this section, immediate family shall be defined as the spouse, parents, children, legal guardians, grandparents, brothers, sisters or grandchildren of the employee or the employee's spouse.

5.3 Jury Duty.

Employees called to serve as jurors or subpoenaed to appear in a court of law in a matter wherein the employer is not a defendant shall be excused from duty without loss of pay or benefits, provided the employee reimburses the board for any jury pay received. The employee shall provide proof of summons and remit jury pay received. The board shall retain the option of docking pay for each day said employee is absent from jury duty and/or serves as a witness.

5.4 Discretionary Leave.

The District may from time to time grant leaves of absence to employees who make request for the same. Such leaves shall be granted at the sole discretion of the District upon such terms as the District may determine.

5.5 Vacations

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
From:	To:		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year 20	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the

same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Vacation for a partial or short year will be pro-rated. If the worker terminates employment prior to taking all of their vacation leave, he/she will be paid for the unused portion.

5.6 Bereavement.

In the case of the death of an employee's and/or an employee's spouse's immediate family member, such employee will be permitted to take up to three (3) bereavement days, per incident, without loss of pay. For the purpose of this section, immediate family shall be defined as the spouse, parents, children, legal guardians, grandparents, brothers, sisters, aunts, uncles, cousins or grandchildren of the employee or the employee's spouse. And one (1) bereavement day, per incident, without loss of pay in the case of death of legal guardians, grandparents, brothers, sisters, bereavement leave shall not be deducted from the employee's accumulated sick leave. Additional days may be granted with the approval of the superintendent.

5.7 Statement of Accumulated Leave.

A statement of accumulated leave is part of the employee's paycheck stub and will remain so during the duration of the contract.

5.8 Compensatory Time Off – Secretarial Staff (Secretaries and Clericals)

An employee covered by the overtime provisions in State or Federal law, shall not work overtime without the prior authorization of the Superintendent.

Employees may be given 1.5 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime.

If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hour worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operation. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or

2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

For all other bargaining unit staff, the Employer shall pay employees at the rate of one and one half (1 ½) the regular rate of pay for each hour worked over 40 hours in a work week.

The District may, when it deems appropriate, from time to time, excuse a steward from regular duties without loss of pay to engage in conferences with the administration or to perform other duties under this Agreement. However, no such excuse from duty shall be deemed to constitute a precedent nor to oblige any future excuse from duty under like circumstances or otherwise.

13.3

Whenever there is a bargaining unit staffing change, the District will provide the Union with a complete updated list of all bargaining unit employees including: first name, last name, shift, title, home address, any telephone numbers, personal and work email, seniority date and rate of pay.

Authorized business agents or officials of the Union who are not employees may meet with an individual school employee in the school building during the duty free time of such employee upon notifying the school office. Article XV– Technical Clause.

15.1 Complete Understanding.

This Agreement constitutes the full and complete understanding between the parties.
